**Re: *In re: General Motors LLC Ignition Switch Litigation*,**  
14-MD-2543 (JMF)

Dear Judge Furman:

Pursuant to this Court's Order No. 8 § V, Lead and Liaison Counsel and counsel for General Motors LLC ("New GM") submit this joint written update to advise the Court of matters of possible significance in proceedings related to MDL 2543.

First, on August 19, 2015, the Bankruptcy Court entered a case management order concerning certain pleadings and disputes. On August 26, 2015, New GM, Lead Counsel, Designated Counsel, the States of Arizona and California, the GUC Trust, and counsel for the *Bledsoe*, *Elliott*, and *Sesay* plaintiffs filed letters pursuant to the Bankruptcy Court's case management order. Copies of the case management order and the parties' letters are attached hereto as Exhibits 1–7, respectively. The Honorable Robert E. Gerber will conduct a status conference regarding issues raised in the parties' letters on August 31, 2015.

Second, on July 31, 2015, New GM filed a motion for a protective order or, in the alternative, entry of the MDL 2543 Coordination Order ("Coordination Order") in *Ibarra v. Gen. Motors LLC, et al.* No. CJ-2014-01391 (Tulsa County, Okla.), a Category III wrongful death action alleging airbag, seat belt, and structural defects in a 2006 Chevrolet Impala. (See Order No. 16, Doc. No. 316 (defining Category III actions as "'unrelated' actions seeking ignition switch-related discovery").) New GM filed the motion in response to the *Ibarra* plaintiff's combined motion to compel discovery and for reconsideration of the court's order sustaining New GM's objections to ignition-switch-related discovery, which was a subject of the parties' July 17, 2015 joint letter to the Court (see Doc. 1194). On August 14, 2015, plaintiff filed a response to New GM's motion. On August 26, 2015, New GM filed a reply in support of its motion. Copies of New GM's motion, plaintiff's response, and New GM's reply are attached hereto as Exhibits 8–10, respectively. The Honorable Linda Morrissey has not yet set a date to hear New GM's motion.
